ABOUT PROJECT

WE HAVE DEVELOPED WORLD-CLASS CITIES, READY FOR LIFE!

Welcome to a landmark moment for our community as we introduce the groundbreaking \$CITI token! This transformative leap forward is set to catapult our collective vision to extraordinary heights. As the cornerstone of our thriving community, prepare to embark on a breathtaking journey.

Dive into the boundless possibilities of the "CITI Fediverse," where the \$CITI token pioneers a spectacular fair launch. We're committed to genuine, engaging, and rewarding opportunities, without any presale maneuvers.

The heart of our project continues to beat with vibrancy, ensuring its essential role remains strong and central.

We are embarking on a rollercoaster of innovation, laying tracks for an epic journey that transitions from a Solana SPL Token all the way to our very own Blockchain. This blockchain is designed with breathtaking features and limitless potential, ready to transform the digital landscape.

Your faith and investment lay the foundation of this vibrant ecosystem. The realms of CITI are expanding, opening doors to a universe filled with exhilarating adventures, phenomenal rewards, and a buzzing metaverse marketplace full of energy and opportunity.

Stay tuned for a cascade of updates as we forge new paths, unveil awe-inspiring developments, and ensure that our token thrives at the heart of our ever-evolving metaverse.

PROJECT TEAM

Ari
@biancoari

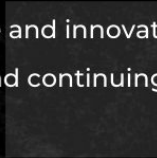

Ryan
@ryanciti

Paul
@paulciti

Our crew has several years of combined hands-on experience in the Cryptocurrency-Blockchain and Metaverse arenas, reflecting the depth and scope of our collective expertise.

United by a shared passion for technology and freedom, we're driven to create and innovate.

As our journey unfolds, we're enthusiastic about expanding our community and continuing to shape a Metaverse that embodies our ideals and visions for the future.

2DIGO OUR PARTNERSHIP CASE STUDIES

STARTUP ASIA X

We helped Startup Asia X launch their first small scale curated virtual event, as a showcase of what is possible.

It was not simply a virtual conference, but a curated and trusted network, built with a strong desire to showcase startup companies that have both collaboration and co-creation in mind.

This event showcased startup companies supported by startup hubs, ecosystem builders, and startup programs from Japan, Taiwan, India, and other regions.

PARTNERSHIP
CASE STUDIES

CLUB COLIZION

Club Colizion is a 24/7 virtual dance club which hosts live DJ parties every month.

DJs can play live from the comfort of their own homes. People from all around the world come to listen to their favorite tunes and dance or simply socialize with others.

Sit back and relax, have a drink, and listen to some sweet music.

3D1GO OUR PARTNERSHIP CASE STUDIES

MEME

We partnered with 3D1GO to initially develop a world for our community.

MEMECITI is a realm where creativity, humor, and memes converge. In this vibrant Metaverse, or "Memeverse" as we call it, traditional cityscapes give way to sprawling landscapes of laughter, wit, and artistic genius.
